Discuss with Scala the possibility of them doing a children's film at a reduced rate for 3pm.

There are also a couple of other ideas that I need to cost up to further enhance the event.

Deb Moore is also creating a walk-through scare event in her garden so we will highlight this in the various marketing channels we utilise.

7pm - Harry Thomas Ghost Walk – Harry will do the walk and charge attendees £2. He will then make a donation (usually £50) back to the Town Council event fund.

WW1 Centenary Event

I am in discussion with RBL and a number of local people to plan an event in Prestatyn town centre that will commemorate the 100 years since the end of the First World War.
